ZEHNDER WAAGE PARTNERSHIP

2017 BULL SALE

March 18, 2017 - 5 pm - Greenbush, MN

A SELECT GROUP OF CHAROLAIS AND RED ANGUS BULLS

Friends and Cattlemen,

We invite you to attend our second annual Zehnder Waage Partnership bull sale on Saturday, March 18th. Our partnership combines more than 20 years in the cattle feeding business along with 20 plus years in the seedstock industry. Our goal is to provide a positive bull buying experience that goes well beyond the initial purchase.

The Charolais bulls in the sale offer modest birth weight while not sacrificing performance and growth. The majority of the Red Angus offering would be considered suitable for heifers and maintain maternal value. There are several embryo transfer calves in the offering that allow you to select full brothers to further add uniformity to your next calf crop. Charolais cross calves are highly sought by feeders and the Red Angus female is the highest valued female in the market place. Please be sure to contact us when you are selling your calves and allow us to assist you in that marketing process.

The bulls have been developed to assure longevity and soundness. We do not attempt to feed to the heaviest weaning or yearling weights, but rest assured the genetic potential for growth is built in the bulls. We strive to develop the bulls in a fashion so you will be as satisfied with bulls on the day you pull them from the pasture as the day you turn them out.

Please plan to join us on March 18th at Waage Farms in Greenbush. The bulls are currently available for viewing at Waage's Strathcona location and will be available for viewing at the Greenbush farm all day on March 18th. We understand this is a busy time of year, if you cannot make the sale, we can handle your bids in confidence or make arrangements for you to be on the phone at sale time. Please do not hesitate to contact us with any questions prior to the sale.

Sincerely,

The Zehnder Waage Partnership
